About APOLA

APOLA Inc is a non-profit professional association for Australian wave pool and ocean lifeguards. It promotes best practice in wave pool and ocean water safety. It coordinates and delivers lifeguard training, community education, tourism support and risk management in consultation with wave pool operators and Councils operating professional lifeguard services. Council professional ocean lifeguards wear the nationally endorsed workplace uniform which is either a long sleeve white workshirt with blue collar and cuffs and the word LIFEGUARD in block red on the front and back and blue shorts or blue long pant, or wear an aqua-blue workshirt as seen on the popular long-running award winning TV series **Bondi Rescue**.
