# School Surfing Supervisor Award (SSSA) Information

## Introduction

The SSSA was developed in consultation with the School Surfing Association to provide teachers with supervision competencies required for supervising students engaged in school surfing activity.

Teachers successfully completing annual SSSA In-service courses will be awarded a SSSA certificate that is recognized by school systems as providing teachers with that necessary to supervise students participating in school surfing activity. Teachers with a current SSSA are also qualified to deliver APOLA Community Awards for students including the **Ocean Safety Surfer Award (OSSA)**. Student OSSA programs can be delivered by teachers independently or in concert with approved accredited surf coaches or approved Professional Ocean Lifeguards.

Teachers successfully completing a scheduled annual SSSA Inservice course will receive a SSSA certificate that has a currency period of 12 months will be charged at a rate of **\$55** per teacher.

## SSSA Requirements

- ❑ Teaching qualifications and current approval to teach in schools or other vocational and/or tertiary educational centres including Registered Training Organisations, TAFE colleges and Universities, or teacher/education assistants supporting outdoor school sport programs
- ❑ Current qualifications in emergency care and cardio-pulmonary resuscitation such as Provide CPR or higher levels such as a Provide First Aid
- ❑ Competency in swimming (400m pool swim in less than 9 minutes) and capable in surfcraft paddling and wave riding (with a surfboard or bodyboard or wave ski or stand-up paddle board)
- ❑ Successful completion of an APOLA SSSA In-service session that includes demonstration of fitness (surf mission) surf rescue skills (simulated surf rescues) and a written theory paper.

## SSSA Competencies Assessment

- ❑ APOLA Assessor and Workplace Trainers deliver the SSSA to teachers and reserve the right to prevent prospective candidates commencing the practical components whenever prospective candidates present themselves as incapable of meeting the fitness and/or surf and rescue skill demands required of the in-service
- ❑ As a **pre-requisite** participating teachers must provide a completed **Registration and RPL form** prior to the commencement of an APOLA SSSA In-service session. The completed Registration and RPL form provides a statement of recent completion of a 400m pool swim in a time less than 9 minutes and **currency** in cardio-pulmonary resuscitation such as Provide CPR or higher levels such as a Provide First Aid. The **Registration and RPL form** is provided when booking a scheduled SSSA Inservice session and must also be signed by a School Principal/Deputy Principal/Sports Organiser/Faculty Head/School Surfing Co-ordinator/Lifeguard/Swim Coach or an APOLA Assessor and Workplace Trainer. These completed hardcopy forms must be handed to the Assessor and Workplace Trainer at the commencement of the SSSA Inservice session.

## At the in-service teachers will need to:

- ❑ Hand the completed **Registration and RPL form** to the Assessor and Workplace Trainer
- ❑ Complete the sign-on attendance sheet and declare any personal health issues
- ❑ Participate in a **discussion** covering knowledge, skills and understandings of effective supervision of students engaged in school surfing activity and complete a **theory paper** provided by the Assessor and Workplace Trainer that covers aspects of school surfing including location safety check, emergency procedures and student requirements
- ❑ Complete a **Surf Mission** course commencing with 200m swim, followed by 200m beach run, a 200m surfcraft paddle and concluding with a 200m beach run demonstrating sound physical fitness, competence in negotiating the surf and skill in the use of personal surfcraft
- ❑ Demonstrate **surfcraft rescues** using personal surfcraft such as paddling to rescue someone demonstrating **patient approach** and **patient pick-up techniques** including **side-by-side, rollover, duck-dive and leg-hook**, and **patient return** to shore demonstrating DRSABCD. The **board rescue techniques** can be viewed at the **APOLA website** or on **YouTube - APOLA Surfboard Rescue** (<https://www.youtube.com/watch?v=SPxwjorGmHs>).
