The Australian Pool and Ocean Lifeguard Association Incorporated (APOLA) is a not-for-profit Association that promotes water safety and best practice supervision and management of accessible aquatic environments. It delivers training for lifeguards, coaches, teachers, students and others involved in aquatic activity and water safety supervision through a structured awards system. The Association is an active advocate for minimising the risk of drowning in and around water and promotes water safety through numerous community education initiatives and programs such as **FLOAT TO SURVIVE**. Council professional ocean lifeguards wear the nationally endorsed workplace uniform which is either a long sleeve white workshirt with blue collar and cuffs and the word **LIFEGUARD** in block red on the front and back and blue shorts or blue long pant, or wear an **aqua-blue workshirt** as seen on the popular long-running award winning TV series **Bondi Rescue**.
